

INNER WHEEL CLUB OF CLEVEDON NEWSLETTER – FEBRUARY 2019

Another month gone! As I write this the sun is streaming through the window. It is absolutely glorious what with the daffodils coming into bloom and the crocus showing their little heads too. We'll forget the snow and pretend it didn't happen!

23 January – Coffee and Toasted Teacakes at Sue K's in aid of Brain Tumour Support. We spent a lovely time together and raised a good amount for our charity. Thanks, Sue for your kind hospitality.

5 February - Many of us wanted to pay our respects to John Urygan and support Mary at his funeral. A sad occasion for us all, but a lovely send off for such a lovely man.

20 February - Trophy Challenge. For many years we have had an annual challenge with our sister club Nailsea for what we have always referred to (tongue-in-cheek) as a valuable trophy - it's absolutely minute! Sadly, the Nailsea Club is no more but we decided to keep the challenge going amongst our own members. This year it was a Beetle Drive, and we had great fun playing. It's always a mystery as to why you can wait an age to throw a six and then they come along for evermore and you then struggle to get the last eye or the tail! Our proud winner for the day was Monica. I don't know how she managed it! We'll get you back next year Monica on a return challenge.

We then stopped for tea and some nice cakes of course. We needed a cuppa after all the exertions of playing.

Once refreshed we discussed the vacancies that needed to be filled for our next year's club, and we all handed in our nomination forms. The outcome of which will be highlighted later.

22 February – MacMillan Quiz. What a huge success, with plenty of input from the local community. The hall was full to bursting and full of anticipation. The raffle was in aid of Brain Tumour Support, our charity of the year, and both MacMillan Cancer Care and Brain Tumour Support were hugely supported.

Dates to remember

5 March – International Lunch at Frances's

20 March – Jane Couch MBE First licensed female boxer. Please remember to bring your questions to ask Jane about her career. Also bring your friends.
