

District Secretary

Diane is a member of the Pershore Club and has taken over from temporary secretary, Sue Allen. Welcome to executive, Diane. We wish you all the best and trust that you will thoroughly enjoy your role.

Diane says.....

I was brought up and educated in Cheltenham following my parents move from London. During my working life I have lived in a number of different towns in the UK, spending many years in various technical and sales roles within the Laboratory Instrumentation sector.

Having settled in the Pershore area I eventually decided to slow down and quickly found myself invited to join The Inner Wheel Club of Pershore in 2009, following on from my husband who had renewed his membership of Rotary after many years, this time joining the Evesham Club.

I have been a committee member for most of the following years including joint President in 2014-2015, Interclub Secretary, and currently Secretary.

Obviously not having enough to do I am now also your District Secretary but please be gentle with me while I learn the role.

I have found being a member of Inner Wheel a lovely way to meet new people many of whom have become friends who I look forward seeing at lunches, social and District events.

Diane
