

District Treasurer Pat Rawlings

I was born and raised in Wiltshire attending a Convent School in Bath. After leaving school my family moved to Somerset where I joined Lloyds Bank it was during this time that I met my husband Bob, who worked for, as it was then, The Westminster Bank, We married in 1963 and went on to have 2 sons and 4 grandchildren.

Due to my husband's career moves we have lived in Somerset, Devon and Cornwall. We moved to Thornbury from Plymouth in 1987. I joined Inner Wheel almost immediately. I have served on the Club Committee and held the position of President (three times) Secretary (three times) and also Club Treasurer.

I enjoy the friendship of Inner Wheel and I look forward to this new challenge, with some trepidation, and to serving on the District Executive once again. I will endeavour to look after the finances as efficiently as my predecessor.
